

# Lattice Love Song

Hymn of the International Quantum Structures Association

By Dirk Aerts (Arranged by Marisa Dalla Chiara)

Once u - pon a time \_\_\_\_\_ we saw a char - ming la - ttice,  
Games are played and won. \_\_\_\_\_ Some - times they are lost. \_\_\_\_\_

Piano

hi - ding in the sun                      hi - ding in the sun.                      Flo - wers all a -  
la - ttice la - ttice sweet,                      why weren't you com - plete?                      A - toms in your

6

round                      beau - ti - ful with trea - sure.                      La - ttice la - ttice sweet,  
hair                      co - vered up with dia - monds.                      Jo - ining all the meets,

11

why aren't you com - plete?                      Ort - ho - mo - du - la - ri - ty!                      Ort - ho - mo - du - la - ri - ty!  
mee - ting all the joins.                      O - per - a - tion - a - li - ty!                      O - per - a - tion - a - li - ty!

16

22 La - t tice, la - t tice sweet, why are you so sad now? You were so crisp and sharp, — and

28 now you are so un-sharp! But don't be a - fraid, — soon the sky will clear up. Fo-ggy rain will

35 stop. The E - ffect will be Al - ge-bra! Al - ge-bra! Stress - ful gates to pass,

Sprechstimme

This was  
Liptowsky-dream.  
But, then,  
all vanished  
in QUBITS!

42 pa-ra-llel and ma - ssive How it came a - bout our li - ttle la - t tice sweet?

48 rit. Cal - cu cal - cu cal - cu-late! rit. Cal - cu cal - cu cal - cu-late! —
